

## Get Involved

Sunday, 23 October 2005

Thank you for your interest in Malaria Action Day!

We'd like to get as many people as possible to Take A Shot for Malaria on Sunday, March 19, 2006. Host a party and invite people to shoot. You can sponsor any charity you'd like - we're hoping to raise awareness as well as money.

We have sample forms for event organizers and participants. These samples contain fields which can be customized with your information, the name of your charity, the location of your party, and anything else you'd like. To learn more about why this is an important fight and what you can do to help, please view our most recent presentation .

You can also join our discussion email list to share your ideas and experiences with other interested users and organizers.

If you have any questions, or would like to let us know of an event you're organizing, please contact us by email.
